Summary: And here you have it, my first attempt at a digi poem, it's about Mimi and how she see's herself. Please read and review!

## The Real Me

A/N: Please bear with me on this one, I'm not all that great at poetry, and I wrote this when I somehow got inspired during biology. It doesn't anything to do with biology though (I'm still trying to figure that one out ^\_^ ).

## The Real Me

I may act like a ditz

Like I do not understand

But I understand all to well

And my life's anything but grand

Do you know how much

I'm missing all our friends

How I do not want to fight

But I have to till the end

Sometimes I feel like crying

It all just seems so wrong

That you don't even know me

But I've known you for so long

Cause I know that you can't see me  
for what I really am  
You see me as a snob  
And you do not understand  
That who I am for real  
Is nothing like that girl  
The one who thinks she's perfect  
And lives in the perfect world  
That girls an illusion  
And I know you would agree  
That I'm really not that person  
If you knew the real me.

End  
file.
